After the judges gave Lisom Rock the first premium on draught horses, over Flave LaPete, at the fair, there was some talk about it and Flave challenged Lisom to another trial. Accordingly on Saturday they had a new contest, O. H. Mossman, J. B. Freeman and Horatio Deaveraux judges. This time Flave's horses drew the load about six feet, Lisom's about 11, feet. The judges decided in

favor of Flave. The prevalence of typhoid fever of unusual severity this fall, calls for the greatest caution in regard to the sanitary condition of the premises about buildings, and the water used. Be cautious in regard to the use of well water, in which it is possible for any of the drainage of the house or barn to find its way. Use blue vitriol, chloride of lime and other disin-

fectants in the sink drains. NEW ADVERTISEMENTS.

To itself in many important particulars, Hood's Sarsaparilla is different from and superior to any other medicine. Peculiar in combination, proportion and preparation of ingredients, Hood's Sarsaparilla possesses the full curative value of the best known remedies of the vegetable kingdon Peculiar in its medicinal merit, Hood's Sarsaparilla accomplishes cures hitherto unknown. Peculiar in strength and economy-Hood's Sarsaparilla is the only medicine of which can truly be said, " 100 doses one dellar." Medicines in larger and smaller bottles require larger doses, and do not produce as good results as Hood's Sarsaparilla. uliar in its "good name at home "-there is more of Hood's Sarsaparilla sold in Lowell, where it is made, than of all other blood purifiers.

Company Is entitled to your plast consideration, since it holds a forkmost place among the Life Insurance Companies of this country, and offers superior advantages in all features of the business, together with Unsurpassed Fisancial.

Every Policy

Is a direct, simple, and guaranteed contract.

Nothing is left indefinite to be settled at a future time. It gives all the privileges, hencits and options that are consistent with security and sound business principles.

Do not allow yourself to be misled by big figures when deciding where to insure. The size of a company does not at all determine the questions of cost or of security. Idah the questions of cost or of security. Laborates always keep even pace with accumulations. The Company has paid to Policy-Holders for death losses, matured codownents, dividends, and surrendered policies, \$2,820,833.99; it now holds assets amounting to \$2,105.848.97 invested in first-class securities. And by the standard of Connecticut and Massachusetts, shows a ratio of \$133 of assets for each \$100 of its liabilities.
